

SOCIETY

By Bertha Hempstead

Mrs. L. O. Weakley, Miss Kinneman and Miss Dorothy Nash, all of St. Joseph, Mo., were home guests at a breakfast given this morning at eleven o'clock by the Ladies' Music club at Mills tea room. The visitors are members of the Fortnightly club, of St. Joseph, and came to Topeka to furnish one of the "reciprocity" programs arranged between the Fortnightly club and the Ladies' Music club. They are giving a concert this afternoon at the Elks hall of the club.

The guests and members of the club were received informally at 10:45 o'clock in the rear room of the Mills stores company, by Miss Anne Horner, Mrs. W. B. Swan and Mrs. David Palmer. The guests at the musicale this afternoon were formally received by the members of the board of directors. The board members who were present and stood in line were: Mrs. Swan, Mrs. S. J. Hodgins, Mrs. Arza Clark, Mrs. George H. Allen, Miss Katherine Wood and Miss Helen Hogeboom. Mrs. Arthur Capner was asked to receive with them.

The guests at the breakfast this morning were seated at a large table and six quartet tables. The centerpiece of the large table was a tall, yellow basket of jonquills, tied with yellow tulle. Smaller baskets of jonquills, tied with yellow tulle, were placed on the smaller tables. Center bouquets were given as favors to the out-of-town guests. Mrs. Weakley was presented with a bouquet of Ophelia roses and lilies of the valley, tied with white tulle and a silk cord. Miss Nash's bouquet was of pink sweet peas and fern, tied with white tulle, and Miss Sauer was given a bouquet of lavender sweet peas, tied with gold lace.

The club colors are white and gold, and the decorations were in those colors. The place cards were adorned with the club monogram in gold. Among the guests at the table were Miss Ethelwyn Harrison and Miss Elizabeth Alderson. Miss Harrison is in Topeka for a visit to her mother, Mrs. J. N. Harrison and will return in February to continue her work in musical circles in Los Angeles, Cal. Miss Alderson is to be one of the season's brides, and her marriage to Mr. J. K. Reinlin will be an important event.

Covers were placed for: Mrs. Weakley, Miss Nash, Miss Sauer, Miss Harrison, Miss Alderson, Mrs. Jonathan Thomas, Mrs. Warren M. Crosby, Mrs. W. B. Swan, Mrs. W. W. Wilkidal, Mrs. Charles P. Adams, Mrs. Harold Chase, Mrs. Frank Merriam, Mrs. Charles C. Johnson, Mrs. E. Akers, Mrs. Harrison Morgan, Mrs. C. R. Merriam, Mrs. David Palmer, Mrs. Ralph Schuler, Mrs. George H. Allen, Mrs. S. J. Barker, Mrs. George Wilson, Mrs. G. H. Allen, Mrs. Theodore Hammett, H. A. Spielman, Mrs. Charles W. Wolf, Jr., Mrs. Bernard Crosby, Mrs. Arza Clark, Miss Irene Horger, Miss Caroline Thomas, Miss Helen Hogeboom, Miss Marion Garretson and Miss Berdine Chandler.

A meeting of the Native Daughters of Kansas will be held Monday afternoon of next week in Memorial hall, at 2:30 o'clock. All members of the organization, and all active Kansas born women who desire to join the organization, will be invited. Also the guests of honor will be the mothers of the Native Daughters, and their grandmothers will be special guests of honor. No formal invitations are issued, but Kansas women who are in the city at that time are invited and will be made welcome.

The officers of the society are Mrs. DeWitt C. Nellis, president; Mrs. Frank P. MacLennan, vice president; Mrs. Nellie Johnson, secretary; Mrs. W. S. Callaway, secretary; Mrs. Harry Donaldson, treasurer; Miss Annabel Garvey, historian.

Mr. and Mrs. T. J. Myers will entertain their evening club at a bridge-dinner tonight. Covers will be laid for twelve.

The West Side Forestry club will meet at 7:30 o'clock Thursday afternoon at the Y. W. C. A.

Mrs. E. D. Chubb will give a party tonight for Mrs. Z. G. Hopkins and her daughters, Doris and Phyllis. About thirty guests have been asked, and the company will include friends of the guests of honor. Mrs. Hopkins and her daughters will leave in a few days for St. Louis. Mrs. Chubb is a permanent residence.

Miss Ethel Myers and Mr. Cecil Grimes were married at 4 o'clock Tuesday afternoon at the home of the bride's parents, near Wakarusa. The

Rev. Mr. C. W. Martin, of Highland Park, read the service. The bride's gown was of white silk meteor, trimmed with old lace, an heirloom in the family. The house was decorated with sweet peas, carnations and ferns. A wedding supper was served after the ceremony. Mr. and Mrs. Grimes have gone to Holton for a short time, and later will be at home to their friends at Mr. Grimes's home near Wakarusa. The bride is a niece of Mr. and Mrs. Fred Langley, whom she has visited at their home in Topeka.

An informal "at home" was given Tuesday afternoon by Mrs. Arthur Capner for the members of the social department of the Topeka Federation of Women. Mrs. W. A. Johnston, chairman of the department; Mrs. D. W. Mulvane, one of the vice-chairmen, and Mrs. George M. Crawford assisted the hostess, who is also one of the vice-chairmen of the department. Mrs. Roy Shout, formerly Miss Frances Walsh, a pianist of ability, furnished music for the entertainment of the guests. She played a Minuet by Schumann, and "La Filleuse" by Ruff.

A short business session was held, conducted by Mrs. W. A. Johnston, when plans were perfected for the reception to be given Friday evening by Governor and Mrs. Arthur Capner for the members of the Woman's Kansas Day club. The members of the club and their escorts are invited to the reception. Even a discussion of the club's present problem of what to wear was held. It was decided to ask all the women who would do so, to wear their wedding gowns. Some of the women have not kept their wedding dresses, and increased sixth will present some of the women from wearing their bridal costumes, but when it is convenient to do so, the hostess and her assistants will be pleased to see them. The plan originated with the late Mrs. Eugene Ware. Mrs. Capner would like to have all the members of the social department of the federation as assisting friends at the party. However, the party is only for members of the Woman's Kansas Day club and their escorts, so the assisting people will be all the members of the social department who are also members of the Woman's Kansas Day club.

Mrs. Johnston announced that it was the purpose of the club to make the meeting next Saturday a cheerful one, and yet to remember its president, Mrs. Ware, whose death occurred in December. Her plans will be followed out as nearly as possible, and a memorial sketch of her will appear in the program for the day. It is the wish of the club that the children shall know how dear she was to Kansas women.

It was decided that the women would not wear their hats and wraps at the luncheon Saturday, but would remove them, leaving them in the Sunday school room of the Presbyterian church, in the morning before the business session. The first meeting of the day for the election of officers and a part of the program will begin at 9:30 o'clock. Luncheon is to be served at 12, and the afternoon program of Indian pageantry will follow immediately.

The hours for the reception Friday evening are from 8 to 11 o'clock. The members of the social department who were guests at Mrs. Capner's home yesterday, included: Mrs. Johnston, Mrs. Mulvane, Mrs. Crawford, Mrs. S. S. Estey, Mrs. Jonathan Thomas, Mrs. F. W. Watson, Mrs. Howard Johnson, Mrs. S. J. Crawford, Mrs. William MacLennan, Mrs. Herbert Armstrong, Mrs. F. L. Benjamin, Mrs. I. M. Couchman, Mrs. W. T. Crosby, Mrs. J. B. Johnson, Mrs. George W. YOUNG AMERICAN GIRL ORIGINATES DANCE, "THE SPIRIT OF PATRIOTISM"

Miss Helen Herendeen dancing "The Spirit of Patriotism."

Miss Helen Herendeen, a sixteen-year-old American girl who attracts wide attention in European capitals before the war as an interpretative dancer, has originated a dance called "The Spirit of Patriotism." She rendered this dance for the first time at the recent patriotic ball in New York, which was attended by many civil and military officials.

of honor. The dinner will be given by Mr. Charles S. Kiehl and Mr. Harry N. Taylor, business men of Kansas City.

The Washington Square Players, of Washington, D. C., have gone to New York, and are playing at the Bantock theater. The company has a Kansas man, Charlie Edwards, of Kinsey, as one of its members. The New York Sun comments on the work of the new actors as follows: "While the work of the group has not yet attained the highest professional standards, it has lost none of the freshness and enthusiasm that won the players sympathy from the first." Commenting especially on Charlie Edwards, it says: "The final play or pantomime, 'The Red Clock' was the most original and entertaining part of the evening's program. Charlie Edwards, a newcomer from the west, in the company, was as impressive as a marionette father can be. He enacted the part for the first time."

Mr. Edwards, a long while ago, lived for a short time in Topeka, and during the past four years he has occasionally come to Topeka during legislative sessions to visit his sister, Mrs. Joust Shouse and Senator Shouse, who are now living in Washington. Last winter at this time he was creating something of a sensation in one of the most famous of the city, and after an afternoon conversation and drink tea out of a thimble, with no trace of the sheepish, hunted look that gets into the eyes of any Topeka man who has ever seen in the same situation.

The Fillmore street whist club will meet Friday afternoon with Mrs. John E. Lord at the Virginia.

The ever-changing fashions have reached to the ways of writing one's name. It is the style now to wear the name shorter. Engravers, printers, hotel men and club room managers have agreed to it, and so no longer will it be good form for a society woman to have on her calling card the names of all her husbands as they have annexed. NIX ON THE WAR

Denmark Considered Most Neutral of All Nations.

Shares Foodstuffs With Both Germany and England.

BY CHARLES P. STEWART.

London, Jan. 26.—War rumblings may disturb Sweden at present, but Denmark pretty certainly is going to keep out of the war. She wants to keep out and both England and Germany want the same thing. This much is gleaned from conversations with officials in Copenhagen and well informed persons here today.

If Denmark fights at all, it must be with the allies. She lost Schleswig-Holstein to Germany fifty-two years ago and has hated the Germans ever since.

Can't Afford to Fight.

But Germany could cross the imaginary line separating the two countries and overrun Denmark within a short time. Hence Denmark cannot afford to fight.

On the other hand, Germany is not anxious to invade Denmark. The Germans receive considerable quantities of supplies through Denmark's neutral ports, despite the British blockade. They realize that England would blockade these ports if occupied by Germany. Germany does not want to increase her troubles by conquering Denmark and make it necessary to defend the long Danish shore line against possible landings by the allies.

No Danish Ships Sunk.

England gets large stores of foodstuffs from the Danes. If Denmark entered the war and was occupied by Germany troops, that source of supply for the British would be cut off.

It is generally understood that a tacit agreement exists by which Denmark divides her foodstuffs between the Germans and the English without objections by either. In proof of this fact, it is stated here that no Danish ship carrying food supplies to England has ever been torpedoed. Swedish ships have been blown up and so have Danish ships with cargoes other than food.

ANOTHER ARMED LINER

Italian Ship Verona With Two Guns Arouses Enemy's Ire.

Washington, Jan. 26.—Baron Erich Swiedinek, charge of the Austro-Hungarian embassy, today asked the state department what the United States intended to do in the case of the Italian steamship Verona, which arrived in New York several days ago with two guns mounted at her stern.

The inquiry was the same as that by Baron Swiedinek in the case of the Italian steamer Giuseppe Verdi, which was also at her stern.

Indications are that Austria may notify the United States that any other merchant vessels permitted to sail with guns aboard, even if intended for defense only, will be considered hostile craft.

COLONEL MAKES A HIT

The correspondent describes him as "making the impression of a calm, well-intentioned observer without any anti-German prejudice, who deplores the world war and its horrors in moving words."

Alkali in Soap Bad for the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary milled coconut oil (which is pure and greaseless), and is better than the most expensive soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get milled coconut oil at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.—Advertisement.

Woman Needs All Her Strength

Keeping house is hard enough when the woman who has a bad back, blue, nervous spells, dizzy head, aches and kidney or bladder troubles, has a hard lot. She needs all her strength and her nerves never let up.

Probably it's all the result of kidney trouble and not the much feared "woman's weakness." Strengthen the kidneys with Doan's Kidney Pills. It is recommended by women the world over. They are just as harmless as they are effective and may be used for children with weak kidneys, too.

Topeka Proof

Mrs. M. J. Schenfeld 125 Adams St., says: "Gradually my back began to ache constantly and it was worse at night after I had been working hard all day. I had terrible dizzy spells, especially in the morning when I first got up. I doctored, but didn't get relief. Finally I used Doan's Kidney Pills. I am practically free from all the former troubles."
